. The grievance of the Petitioner is that though the land owner have received compensation and they have made reference in terms of the order of this court dated 20.9.2006, reference forwarded by them has not been registered on the ground that the amount has not been deposited. It is pointed out that under the provisions of the M.I.D.C. Act, in the event the compensation has been received by the land owners, there is no requirement of deposit. In the light of that application made absolute in terms of Prayer Clause (b). Application disposed of accordingly. The District Judge, Pune is directed to submit explanation from the relevant District Court as to why the Reference has not been registered even though according to State the

compensation has already been disbursed to the land owners and they had received the same. The report to be submitted within four weeks from today. Civil Application disposed of accordingly.
